DETAILED ACTION

Allowable Subject Matter

Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art fails to disclose and/or make obvious an indexable cutting insert for milling having a rectangular basic shape with first and second opposite side surfaces; the first side surface having two cutting corners whose minor cutting edges are each formed by a transition angle of less than ninety degrees between a first side surface and a third edge surface and the second side surface having two cutting corners whose minor cutting edges are each formed by a transition of less than ninety degrees between a second side surface and a fourth edge surface.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
